

# FOW Annual Meeting

**Sunday November 14<sup>th</sup> 2:00 PM**

Post Morrow Annex

Bay Road  
Brookhaven

Sweetbriar Nature Center is excited to present “The Wonderful World of Butterflies.” Learn all about these amazing insects through mounts, posters and a slide presentation! Butterflies are important pollinators and we rarely see them in our gardens anymore! A talk on native butterflies and the native plants they depend on will be a part of this presentation. A brochure on what plants to purchase will be available at the end of the program.

Michelle Williams, refuge manager, will give us an update on the Visitor Center.

Board Member, John Petraglia, will discuss the Reorganization Plan for FOW and the work of the volunteer committee.

There will be an encore performance by Delaney Hafener of her original composition, “My Refuge”, which debuted at the Visitor Center’s ground breaking ceremony.

Hot cider and cookies
